Name of Project

For the firm sum of:

xx/100 dollars \$ _____ NOT INCLUDING G.S.T.

SPECIFIED ALTERNATES AND/OR SEPARATE PRICES:

Alternates and/or separate prices should be referred to by the proper designations in the specifications and it must be clearly indicated whether each is an addition to or a deduction from the "total tendered price".

THIS SECTION shall be used to show unit prices, bidder's suggested alternate prices and equipment, and where required by the specifications, a list of the equipment and the supplier's names:

If the above spaces are insufficient for the information required, attach supplementary lists(s) on bidder's letterhead, such list(s) to comprise part of this tender.

This tender is submitted in strict compliance with the requirements of the tendering documents for the above project including instructions to Bidders, General Conditions of Contract, Specifications, Drawings and all Addenda thereto received and recorded by the Thunder Bay Bid Depository at least forty-eight (48) hours prior to the Bid Depository closing time. Further, this tender is submitted in accordance with, and subject to, the Ontario Bid Depository Standard Rules and Procedures:

This tender may be accepted for a period not exceeding seven (7) calendar days beyond the period established in the tendering documents for acceptance of the prime contractors' tenders. If required by the tendering documents we have submitted a Bid Bond, with our copy of the tender, to the Thunder Bay Bid Depository. It is a condition of this tender that, when accepted, the subsequent contract will be in the form of C.C.A. Document No. 1, Canadian Standard Form of Construction Contract between the Contractor and Sub-Contractor, or another form of contract to be agreed upon and that the terms will incorporate the relevant provisions of the contract between Prime Contractor and Owner.
